Anyone with any knowledge of Ox roasting is asked to contact Miss Carol Neilurgently.

The War-on-Want Dance held at the end of last term was a great success, not merely because over eighty pounds was raised for Freedom from Hunger, but also because everybody seemed to be having a good time. Despite last minute fears that not enough people would turn up, it was reckoned that between four and five hundred people were there. The organisers would like to thank all those who helped in many kinds of ways and all those who come, for helping to make the evening such a success.
Whitsun Fund Raising for Freedom from Hunger. Members of the United Nations Club and the War-on-Want Group are planning a large campaign in Brighton over the Whitsun weekend and particularly on Whit-Monday evening in an attempt to raise £450. War-on-Want support 'The Bhooman Movement' which is a scheme for the introduction of basic necessities to individual Indian villages; for £450 one village can get a well, some agricultural equipment, seeds, fertilisers and skilled advice to ensure the best application of the money. This is why the target figure has been set so high, but with a lot of support from all students it should be possible to reach it. It is planned that groups of students should visit as many pubs as possible during 'hours' with collecting tins; also it is planned to attack many cafés, restaurants and hotels with posters, pamphlets and collecting boxes. All this requires considerable organisation and support; would everyone who is interested get in touch with Pauline Le Clere as soon as possible with offers of help.

UNIVERSITY NEWS

INSTALLATION OF THE CHANCELLOR

There will be a Service of Thanksgiving and Dedication in St. Peter's Church, Brighton at 3.00 p.m. on Monday, 10th June. The sermon will be preached by the Bishop of Chichester. The Glyndebourne Chorus and a student chorus will sing during the service. A setting of the 46th Psalm has been composed for the occasion by John Gardiner.

At 6.15 p.m. that evening, a reception will be held in the Pavilion by the Mayor of Brighton, after which a dinner is to be given by the Chancellor and Officers of the University. Invitations to this are necessarily limited, but will include the honorary graduates, representatives of Universities and other guests, including members of faculty and their wives and a number of undergraduates.

The Installation of the Rt. Hon. the Viscount Montkton of Brenchley will take place on Tuesday, 11th June at 11.00 a.m. All members of the University have been invited to the ceremony as well as representatives of the town and the county and other friends of the University. The academic processions which will open the ceremony will include representatives of about fifty universities at home and abroad, as well as members of the Faculty and officers of the Union. The Chancellor will be installed by the Vice-Chancellor, who will admit him to the honorary degree of Doctor of Laws. After assuming his office, the Chancellor will confer honorary degrees on a number of distinguished persons. As is customary, the selection of honorary graduates on the occasion of the Installation of the Chancellor is made by the Council and Senate on the Chancellor's recommendations.

APPOINTMENTS

Dr. Z. Barbu, at present Senior Lecturer in the Department of Political and Social Theory in the University of Glasgow, has been appointed as a Senior Lecturer in Social Studies with effect from October 1963.

Mr. T.J. Diffey, at present Tutor in Philosophy, has been appointed as Assistant Lecturer in Philosophy with effect from October 1963.

Professor R.A. Rosenbaum, Head of the Department of Mathematics in the Wesleyan University, Connecticut, U.S.A., is to visit the University for the Spring Term 1964 and has been given the status of Visiting Professor.

BOOKSHOP

The Council has agreed to the establishment of a bookshop in the University. It will be a University enterprise and will be run by a manager appointed by the University. It will be situated on the ground floor of the east wing of Palmer House. The open nature of the cloister will be maintained as far as possible by the use of glass. It is hoped that the shop will be ready by October 1963.

SCHOOL OF PHYSICAL SCIENCES

It was agreed at a meeting of the Faculty members of the School that the Preliminary Examination should be re-sat by those failing the first examination at the end of the Summer Term.

FALMER HOUSE COMMITTEE

Evening meal

Since on average only five meals a night have been served between 7.15 p.m. and 7.45 p.m., it has been agreed that the evening meal should end at 7.15 p.m.

Allocation of rooms

Room 111 in the East Wing will be used by the Lodgings Officer this term. Miss Wilson will be available at the following times:-

- Monday, Tuesday, Friday: 11.00 a.m. - 12.30 p.m.
- Wednesday, Thursday: 1.30 p.m. - 3.30 p.m.

The old Union Office is to become a table tennis room provided a glass partition can be erected on its open side. If the Union buys a billiards table, it will be housed in the Union Committee Room. The room used by the President last term is to be used in the future as a Press Room for Union publications and publicity.
CATERING JOINT SUB-COMMITTEE

This Committee, containing representatives of the Council, Senate and Students' Union, has been set up to deal with all aspects of catering in the University.

Losses in Palmer House

From a stock-taking report, it is obvious that there have been serious losses of cutlery and crockery from Palmer House. About £450 worth of equipment has been lost out of a stock of £2,300 in value. Some but by no means all of this is due to normal breakages. The University is bound to take a serious view of these losses, especially of cutlery, and it is hoped that anyone who has appropriated University property for private use will return it at once.

Packed Lunchees

The experiment is to be tried of providing packed lunches for eating out of Palmer House. They will have to be ordered at the Coffee Bar before 10.30 a.m. of the day on which they are required. It is hoped that alternative lunches of 2/- and 3/- will be provided.

STUDENT GRANTS

The following documents require the signature of the Registrar before the Education Authority concerned will consider the allocation of money to a student:

1. Terminal certificates of attendance.*
2. Annual reports on attendance, progress and conduct.*
3. Certificates authorising vacation courses.

*Not all Education Authorities require such reports.

If students have experienced difficulty in obtaining an award for undergraduate or postgraduate work, or if they require information about the availability and conditions of awards or scholarships, they should consult Mr. H.C. Jones of the Registrar's Office, who will be pleased to assist.

TEMPORARY INSTRUCTION - LAWN

Undue use of the newly-laid lawns to the East of Palmer House will prejudice the chances of their settling properly and establishing themselves vigorously.

Members of the University are asked therefore to avoid walking across them for the next few weeks.
At the meeting of the Union Committee held on 20th March the following points emerged:

1. The motion was proposed and passed that any member of the Committee who was absent from three meetings in one term without sufficient reason shall be deemed to have resigned.

2. The Student Treasurer reported on how the £1,000 gift from the University was to be used. A letter of thanks was to be sent to the University.

3. The Summer Dance. There is to be a Reception for visiting Presidents, the Union Committee and certain members of Faculty beforehand. Outside the Brighton area only University students are to be invited.

4. Professor J.P. Corbett and Mr. M.G. Hutt are to be made Honorary Life Members of the Union.

5. Newspapers for the Junior Common Room were to be ordered for this term.

The N.U.S. Secretary, Miss Janet Ward, and Miss Pauline Le Clerc attended the National Union of Students Council at Keele University from 16th to 20th April.

The President and Vice-President attended a Presidential Dinner and Ball at Southampton Union on 3rd May. They are also going to one at Bristol on 10th May.

The Secretary of the Union, Mr. Tom Kennnitz, has been appointed by the Federation of Brighton Students, of which we are members, Editor of the Handbook to appear in September.

The Union Catering Officer, Miss Carol Neild, and the President are the Union representatives on the University Catering Committee.

The Joint Committee. This is a committee of which the Senior Tutor and the President of the Union are joint chairmen, and it is to be a means of communicating all manner of complaints and comments about matters affecting undergraduates and the University. Also on the Committee are to be the Union Buildings Officer and two other members elected by the Union Committee from amongst themselves. Complaints on any subject should be made through these members.

A Central Charities Committee is to be set up in the near future.

Elections. Leslie Hobbs has been appointed Returning Officer following the resignation of Paula Kuyser. Registration cards must be presented at all elections before votes can be cast. The election of a new President and Vice-President for next session will take place on Friday, 10th May.

A Union Team will be taking part in the Independent Television Authority Programme "University Challenge" at 10.10 p.m. on Monday, 20th May.
UNION NEWS (continued)

N.U.S. Vacation Work Board. This was set up last term by Diana Dawes and John Lambert and has been taken over by Duncan Rooke, Joan Whittaker, Helen Pierce and Paulina Le Clerc. It functions from the former Union Office above the Junior Common Room where members of the Board will be available from 2.00 - 5.30 p.m. on Tuesday and Thursday afternoons. Information files are kept for summer work here or abroad. The Board will be interested to hear of special problems and will do their best to help.
