PEOPLE

TOP JOB FOR PETER LEWIS

Peter Lewis, the University Librarian, is to be Director General of the British Library Bibliographic Services Division in London. This is one of the three top-level jobs for librarians in the national library service, and carries with it membership of the British Library Board.

Mr. Lewis will take up his new appointment in the Spring.

Before coming to the University of Sussex in 1972, he spent ten years with the Board of Trade Library in Whitehall, five years lecturing in Library Studies at Queen's University, Belfast, and three years as Librarian of Skinners' Library, the City University.

Peter Lewis developed a special interest in national and international bibliographic services while he was at Queen's and in his new post he will exercise that interest as both executive and administrator.

He has written a number of articles for periodicals in librarianship and is chairman of the editorial board of the Journal of Librarianship, and amongst a number of other national and international committee memberships, he became Vice-President of the Library Association this year.

He and his family will continue to live in Hurstpierpoint.

NEW PRO-VICE-CHANTER (SCIENCE)

Professor Fred Bayley, at present Dean of the School of Engineering and Applied Sciences, is to succeed Professor Roger Blin-Stoyle as Pro-Vice-Chancellor (Science) next January.

It is expected that an announcement will be made at tomorrow's meeting of Senate regarding the Deanship of EAPS.

PLANNING COMMITTEE

Planning Committee met on December 5 in relation to the proposed government policy ("cuts") on university expenditure. The Committee approved the terms of reference and procedures for the Review Group on Income and Expenditure, established by the Senate on November 7.

The Group's terms of reference, which will now be submitted to Senate and Council on December 12 and 14, would be to consider the effects upon the size, activities, and standards of the University of possible gaps between expected income and projected existing commitments of the order of £1m - £2m per annum by 1983-84.

The Review Group would issue a statement outlining the problems facing it and asking for comments and ideas by the beginning of the Spring Term. It would also hold a series of meetings and consultations up to May 1980 and its timetable would enable the Group's work to structure the University's response to the University Grants Committee's request for detailed information on plans for 1983-84.

Planning Committee also considered a paper outlining proposals for the interim reply to the UGC's letter of October 15. Given the uncertainty as to the likely effects of the Government's cuts, the paper proposed that two alternative sets of assumptions should be used marking the range within which the actual results were likely to fall.

The first set of assumptions is based on the maintenance of current overseas student numbers on a full-cost fee (approx. £2,400 p.a. in Arts and £3,600 p.a. in Science). The second set is based on the prediction that if the Government's proposed minimum fees (£2,000 p.a. in Arts and £3,000 p.a. in Science) were charged, that only half the present number of overseas students could be recruited.

Using those assumptions the projected deficit in 1983-84 would be £1.1m on the first set and £2.23m on the second. Substantial reductions in student numbers and changes in their distribution across the University would need to be made in order to maintain standards whichever assumptions are used.

THE BULLETIN

The Information Office would like to thank all those who have contributed news items, feature stories, illustrations, photographs and in any other way to The Bulletin during the Autumn Term. Please continue to send us items of interest.

The Bulletin is published fortnightly during term-time by the Information Office for the information of members and employees of the University.

Signed articles reflect the views of the author and not the University.

Contributions to The Bulletin are welcomed. If you have any news items, feature articles, information or anything else you would like to see appear in The Bulletin, please contact Jennifer Payne or Janet Barrington Room 104, Sussex House (int. tels. 05-123 or 05-254).

The next issue will be published on Tuesday, January 15, 1980, and copies for inclusion should reach the Information Office by noon on Tuesday, January 8.

Extracts from The Bulletin may not be published without the Information Officer's permission.

GRAND UNIVERSITY QUIZ (or do you know...?)

If over Christmas you can bear to think about the University or to stretch your brain cells, you might like to try this quiz, which is published courtesy of the Former Sussex Students' Association (FSSA). The top-scoring member of FSSA (excluding members who are employees of the University or the Students' Union) can win an FSSA tie (or equivalent for a lady member) - entries to Steve Carter, Sussex House, by January 15 - but Bulletin readers can only gain the satisfaction of being right, so please don't send us your answers. The possible score for each question is given in brackets and the answers will be published in The Bulletin early next term. (Incidentally, membership of FSSA is open to all current staff and students of the University.)

COUNSELLING SERVICES
Planning Committee also considered a report from the Pro-Vice-Chancellor on his informal discussions which had followed the rejection by Senate last session of the Report of the Counselling Services Committee should be replaced by three committees, all chaired by the same person but each having a more direct relationship to particular functions and associated policy than the current Committee.

MEDIA SERVICE UNIT
The report of the Media Service Unit Working Party was referred back for further consideration of certain factors. In particular the Working Party will be asked to consider in more detail the implications of relocating the various sections of the Unit in another part of the University which currently makes a heavy use of the services of that section.

CHRISTMAS MUSIC IN THE MEETING HOUSE

The annual Messiah sing-in takes place tomorrow, December 12 at 7 p.m. in the Meeting House Chapel. All are welcome, to sing or play a musical instrument, and music will be provided. John Birch will be the conductor.

Later in the week there will be a service of popular carols and traditional readings. This will be at 6 p.m. on Friday, December 14.

MEETING HOUSE CHRISTMAS APPEAL

OXFAM CAMBODIA APPEAL

There is still time to contribute to the Meeting House Christmas Appeal which this year is towards the Oxfam Cambodia Appeal.

Two million people, many of them young children, have died in Kampuchea since 1975. But we can help save lives, even at this late stage.

Oxfam has launched a massive programme of assistance - first target £1 million.

Please give as generously as you can. Donations, large or small, to Barbara Barber, Room 3, Meeting House (cheques should be made payable to the "University of Sassenox").

The children on campus have raised £27 for the Blue Peter Kampuchea Appeal at a coffee morning held on campus.

NEW CAMPUS ROAD ENTRANCE

If the weather continues to be 'reasonable' and all other things being equal, it is anticipated that the new campus entrance and the connecting roadworks will be completed by December 16.

Motorists are advised to be alert for those changes.
